

Simon Renouf

French web front-end / ui designer looking for a job in Göteborg

simonrenouf.dev contact@simonrenouf.dev +33 6 52 14 35 99

2019 - present

Web integrator & front-end developer. My main goal is to ensure the design in the application is as consistent as possible through a design system and more. I am also assisting the lead UX designer by providing wireframes to web developers.
Digitaleo - France, Brittany

2018 - 2021

Graphic Designer & integrator in the Customer Success department. My first mission in Digitaleo was to produce graphic content for our customers. Email integration, testing and debugging
Digitaleo - France, Brittany
